

How to make christmas crackers

You need:

- * Three empty toilet rolls
- * A sharp pencil
- * A ruler
- * Scissors
- * Wrapping paper
- * Ribbon
- * Small gifts to put in: candy or chocolate coins, a handwritten message, a paper hat, confetti, etc.

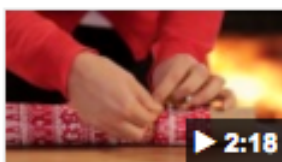

Instructions:

- * Cut the wrapping paper, 20 centimeters by 30 centimeters.
- * Measure 10 centimeters in both sides and draw a line from top to bottom.
- * Take three empty toilet rolls, put them at the bottom of the wrapping paper and roll them around.
- * Pull out one of the toilet rolls, so that you have a gap. Then twist it.
- * Take a ribbon and tie up your cracker.
- * Remove the toilet roll and put your gift into the cracker.
- * Now do exactly the same at the other end. And there it is!
